*To our favorite people,*

When Alex proposed in July 2015 at Twin Lake Village (TLV) in New London, NH, we knew that this cozy little resort would be the perfect wedding venue. This weekend, we will be married on the exact spot that Alex proposed.

Twin Lake Village has been a special place for Sophie since she spent her first summer here when she was just a year old. The resort is situated on 200 acres of hillside woods on the shore of Little Lake Sunapee and is still owned and run by the wonderful Kidder family, who have been welcoming guests for 118 years and have helped us to plan an amazing weekend!

We hope you will enjoy a fun and relaxing weekend here at TLV. When you're not celebrating with us over food and drinks, make sure to spend some time on the lake swimming and boating, playing golf with our friends and family, or reading a book in the colorful rocking chairs on your porch.

We can't tell you how excited and grateful we are to have all of our closest friends and family here to celebrate with us. Kick back, relax and enjoy this beautiful New England weekend!

*Love,*

ALEX and SOPHIE
